

Magdalena's Made in Tyrol

Active ingredients & product description

MAGDALENA'S Eye Drops

Price: € 16.90

MAGDALENA`S natural eye drops are extra gentle on the delicate eye area, yet have powerfully regenerating effects. The special combination of active ingredients derived from natural raw materials has an invigorating, nourishing and protective effect. The skin is pampered with intense moisture and small wrinkles caused by dehydration are visibly softened. The eye area appears fresher and more vibrant.

Ingredients: Aqua, Glycerin, Hordeum Vulgare Extract*, Sodium PCA, Ectoin, Leuconostoc/Radish Root Ferment Filtrate, Xanthan Gum, Sodium Hyaluronate, Pseudoalteromonas Ferment Extract, Sodium Levulinate, Camellia Sinensis Leaf Extract*, Citric Acid, Sodium Anisate, Sodium Benzoate, Potassium Sorbate, Salicylic Acid, Sodium Hydroxide.

* certified organic

** natural fragrance

Application: dab a small amount on to the delicate eye region in the morning and evening, and pat in gently working in an outward direction.
